A BESPOKE SERVICE

Turn that creative vision into a reality with Waxman Architectural.

With a rich heritage over many years, Waxman Architectural has established itself as a leader in the pool sector.

We understand that every project is unique and searching for a perfect tile may be a daunting task. This is why we offer our customers a bespoke service to simplify your tile selection process, find those hard to find tiles and bring your beautiful designs to life.

Our dedicated team of experts are here to make your tile choice a smooth process. Contact us today for a bespoke service for your design needs.

Pietra Di Lavagna - Perla

ETCHING / PAINTING

Advanced etching and painting technologies enable partners to work with diverse materials, fostering creativity for architects and designers to craft bespoke pieces, signage, images, and logos.

WATER EDGE CUTTING

Water Jet Cutting utilizes high-pressure water, sometimes mixed with abrasives, to precisely cut through a variety of materials, offering clean cuts conducive to intricate designs with tight tolerances.

STEPS & RISER FABRICATION

We collaborate with partners specialising in various fabrication and templating methods to create even the most challenging designs, ensuring your vision comes to fruition seamlessly.

BULLNOSING, PROFILES & POLISHING

Over time, our partners have perfected bullnose profile creation using handheld and industrial tools, delivering a diverse array of edge shapes, from straight lines to sweeping curves, tailored to meet your project's requirements.

WATERCOLOURS

The images displayed are approximate simulations and we cannot guarantee that the colour of the water will have the exact same resemblance. Several factors vary the tone of swimming pools after in-stallation like weather conditions, amount of direct sunlight, time of day, depth of the pool, colour of the grout applied and surroundings.

SLABS

We partner with leading ceramic manufacturers who pave the way with high-performance sustainable surfaces.

Large-format porcelain slabs continue to be the driving force for innovation in the ceramic industry; through original design and creativity, offering near seamless continuity of finish.

Slabs are an excellent choice to incorporate within your pool project, adding the wow factor alongside both aesthetic appeal and practical benefits.

If you'd like to discuss any specific requirements for your project, then please get in touch and one of our team will be more than happy to assist you with this.
